DONATION REQUEST FORM

Listed below are the Co-op's guidelines for donation requests. When we can, we're happy to accommodate special needs or circumstances.

1. Your request needs to be received at least 10 days before the event. To give you our best service we need to know about your needs 10 to 14 days prior to the event.
2. Generally donations are in the \$25 to \$50 range for gift certificates and in-kind food donations.
3. We prefer to limit the number of donations for individual organizations/programs to a maximum of three to four in any given year.
4. If possible, when in-kind donations are involved we'd like you to place a sign acknowledging the Co-op's donation at the event (We'll provide the signs if you wish).
